KUMKUMADI ~TAILAM~

Enriched with Pure Saffron For Youthful & Radiant Skin

Thank you

for choosing to buy this product

The process of ageing has never paused & never will. Yet, through inspired innovation, advanced formulations continue to emerge, gracefully helping to slow this journey.

Since time immemorial, Mother Nature has bestowed exquisite and rare botanicals to enhance beauty and nurture luminous, healthy skin. ***Kumkumadi Tailam*** is one such treasured Ayurvedic elixir- an iconic masterpiece long revered in India's traditional beauty rituals.

Radiant skin reflects vitality and inner harmony. It is every individual's desire to look into the mirror and behold a beautifully luminous, even-toned skin. Healthy, glowing skin enhances one's presence, exudes confidence, and subtly elevates personal charm.

However, not everyone is blessed with naturally perfect skin. Beyond genetics and individual constitution, today's world makes maintaining radiance increasingly

Why VASU Kumkumadi Tailam?

Kumkumadi Tailam is the Original, timetested Ayurvedic Masterpiece for skincare. Long cherished as an essential in India's traditional beauty rituals, this exquisite blend of Saffron and revered herbs such as Dashmool, Yashtimadhu, Manjistha, Daruharidra, Kamal & more - artfully processed in Sesame Oil and Cow Milk bestows a radiant luminosity
